Figure:

A surreal image of a tree with a glowing light source at its base, set against a dramatic, colorful sky with purple and orange hues. The tree is silhouetted against the horizon, and the light source at its base creates a bright glow that illuminates the surrounding area. The sky is filled with wispy clouds, and the overall color palette is dominated by deep purples, pinks, and oranges, suggesting a sunset or sunrise. The image has a dreamlike, ethereal quality.
